"Make Every Minute Count" ◀

We have so few minutes at church with kids right now. We as leaders and teachers need to make sure that every minute we have we use. This seminar will help you prep for teaching, give you some practical teaching ideas, and keep you focused on what is most important: pointing kids to Jesus.

"Kids Experience The Same God You Do" ◀

Developmental stages are important when teaching kids, but even more important is helping kids experience all of who God is. The Holy Spirit is at work in kids lives and that trumps any developmental stage. This seminar is designed to help you rethink how you guide kids as they experience God. Using practical ideas, biblical examples, and personal stories, this seminar will keep you engaged while challenging you.
